SEND TO: Dawne Boersen, Principal
Huron-Perth Catholic District School Board
161 Peel Street North, P.O. Box 428
St. Mary's, Ontario N4X 1B2

ONTARIO

Learning Forward Ontario is...

an incorporated, non-profit professional educational organization established in 1991. Our Council is affiliated with **Learning Forward**, previously known as the National Staff Development Council (www.learningforward.org), a leading edge organization in staff development. Members include consultants, coordinators, principals, vice-principals, teachers, superintendents, directors of education, business and support workers, and faculty of education personnel - anyone whose role includes responsibility for staff development.

OUR GOALS

Our overriding goal is the improvement of student learning in Ontario schools.

We facilitate this by:

- promoting the development and use of the Learning Forward standards-based staff development processes;
- providing forums for the sharing of expertise, experience and resources;
- supporting the development of a network of those responsible for professional learning in education;
- facilitating collaboration with other professional organizations that pursue and support excellence in student learning;
- advocating for and promoting the interests of professional development in Ontario;
- conducting and disseminating research on professional development.

MEMBERSHIP BENEFITS

New members receive a comprehensive membership package.

Members benefit from: CONFERENCES, INSTITUTES & WEBINARS

Participate in sessions with recognized leaders in professional learning and educational change at a reduced fee. Past institutes have included:

- Coaching Institute with Dr. Jim Knight
- Concerns-based Adoption Model with Dr. Shirley Hord
- Assessing Impact – Evaluating Staff Development with Joellen Killion
- Collaborative Inquiry – Fundamental Principles in Growing Success
- Transforming School Culture with Dr. Anthony S. Muhammad
- Annual Vision to Practice Conference

LEARNING FORWARD ONTARIO NEWSLETTER

Receive an award winning newsletter. This is our forum for communicating new ideas, sharing approaches to professional learning, and profiling Ontario expertise.

NETWORKING

Become part of an Ontario-wide network that shares expertise and resources and builds local support for professional learning.

RESOURCES

Access research-based resources developed by Learning Forward Ontario.

These include: **Classroom Beginnings** and **The Aspiring Leader as Staff Developer**.
